Watch the Russian Police Choir sing "Get Lucky" at the Olympics Opening Ceremony

They'd crush Eurovision 2014 through 2050.

NBC Olympics Screenshot

This actually happened: the [Russian](#) Ministry of Internal Affairs' choir sang Daft Punk's "Get Lucky" during the Sochi Opening Ceremony. We can't embed the link for copyright reasons, so you'll have to head on over to NBC Olympics to watch. So, so good. [Watch the video here.](#)

(Or if you're too lazy, you can just watch this studio version they released last year.)
