The Red Army Choir, seen here performing the 2014 hit song *Happy*, showed off their pop sensibilities at the opening ceremony of the Winter Olympics in Sochi when they performed Daft Punk's song *Get Lucky*. (YouTube)

The Red Army Choir has released a cover of the Pharrell Williams song *Happy*.

Members of the famous Russian choir appear in uniform, jamming to the tune, apparently as part of their mandate to provide some cheer to the army's rank and file heading into the new year.

A video of the relatively slick production, now one of nearly 2,000 covers of the hit song released around the world, was uploaded to YouTube three days ago.
